SAT JULY 14 @ CALEB SMITH STATE PARK SMITHTOWN, NY

KIDS HELP RESTORE BALANCE IN ECOSYSTEM

Join Biologist Eric Powers, founder of the Quail vs Ticks Study, as he explains how students, teachers and volunteers are making a dent in the enormously high tick population on Long Island...NATURALLY! Be part of this momentous occasion, hear about our stats for this year, and consider helping us next year!

Spread the word... Please pass along this flyer. **QUESTIONS:** Eric Powers YC2N@ME.COM
